Agenda Item #6

The Envision Hampton Roads Process

What's been accomplished?

- Values & Aspirations Final Report ~ June 2014
- Community Values Listening Sessions
 - January 2014 – April 2014
 - 450 participants
- Region-Wide Community Survey
 - April 4-17, 2014
 - Over 1200 participants

Step 1: Results and Findings

Hampton Roads Regional Values & Aspirations

Core Civic Values

As a region we value:

- What and who we are.
- Comfortable place to live; strong communities.
- Diversity of people.
- Diversity of landscape and localities.
- Water & natural environment.
- The Military.
- The Region's History.

Aspirational Civic Values

As a region we aspire to:

- Work to make the region better.
- Be bold and forward-thinking.
- Be proactive in addressing challenges and opportunities.
- Show greater willingness to embrace change.
- Think more regionally.
- Be conscientious stewards of the region's natural assets.

Planning Action Priorities

As a region we want our leaders to:

- Address the region's transportation challenges.
- Create the very best public education resources.
- Bring jobs to the region...creative economy.
- Replace brain "drain" with brain "gain."

Where are we now in the Envision Hampton Roads Process?

STEP 2:

- Develop the Region's Guiding Vision Principles
- Develop the Region's Vision Statement

Steps in Building the Region's Vision Statement

1. Reflect on the Following:
 - ❖ Imagine Hampton Roads as "the best it can be" for 2035.
2. Please answer the following question:
 - ❖ What does Hampton Roads look like in 20 to 30 years?
 - ❖ Draft 3-5 regional achievements that you would like to see realized 30 years from now.
